I William Roberts would like to file a complaint against Hayes State Prison for employment discrimination based on my Race, and my criminal background. I applied for a correctional officer position with Hayes State Prison in the year 2010. Miss Patty Bishop stated to me while I was pursuing this position on the phone, Hayes State Prison wouldn't be able to employ me because I'm not allowed to carry a firearm. I stated to Miss Patty Bishop I am allowed to CARRY a firearm and I informed her that I do have a valid firearms permit and my own handgun. I informed Miss Bishop the simple battery charge I have on my criminal record is only a misdemeanor and its not family violence. I was still denied the correctional officer position. The simple battery charge 6-24-1996.
